## Dog fouling – Clean it up please

### Why should I clean up after my dog?

It is an offence under the Dogs (Fouling of Land) Act 1996 not to clear up **immediately** after your dog has fouled. Dog fouling in public areas is anti-social. It is unpleasant to look at, smells and attracts flies. Dog waste is associated with a number of diseases including toxocarasis. Toxocara is a roundworm commonly found in dogs, and almost all puppies. Eggs from the roundworm are found in dog waste, where they pose a health risk particularly to small children. The parasite

can cause stomach upsets, sore throats, asthma and in some cases blindness. EHDC officers visit Liss regularly and if you are witnessed failing to clear up your dogs waste, you will be offered a Fixed Penalty Notice. Similar to a speeding ticket, you have the option to accept this Notice and pay the fixed penalty off within 14 days, or alternatively face prosecution in the Magistrates' Court. The maximum penalty upon conviction is currently £1,000. It is no defence to claim ignorance of the dog's actions. Registered blind people are exempt.

### How do I clean up after my dog?

Firstly, be prepared - always carry a poop-scoop or bag. A variety of disposable dog fouling bags and scoops are available from pet shops and other retail outlets - although a carrier bag will suffice. Follow these simple guidelines:

- 1 place hand in plastic bag
  - 2 pick up dog waste using plastic bag
  - 3 turn the bag inside out so dog waste is inside
  - 4 tie the bag up.
- Ensure the dog waste is removed in its entirety and that bags are tied up before disposal. Where bins are available, place the bag inside the special bins provided at the village recreation grounds. Bins are also placed at other locations around the village.

### Where and when must I clean up after my dog?

It is an offence not to clear up immediately after your dog on **all** land, both public and private to which the public has access. These areas include:

G

- \* highways (including private roads) and footways
- \* open spaces
- \* playing fields / public parks
- \* verges
- \* play areas
- \* housing amenity greens
- \* public footpaths
- \* bridleways and adjoining verges.

Please help us achieve our aim to eradicate dog fouling by being a responsible dog owner, thereby enabling everyone to enjoy the environment and pleasant surroundings in Liss.

## The Face of Liss

A panel of councillors judged the entries received for the Parish Council Photographic competition.

From the very high standard images a selection was made for what we hope will be a village calendar for 2009, and some will be mounted and put on display in the Village Hall. The overall winner was judged to be that from Dave Scarlett, an excellent time lapse photo of the crossing gates at night.

## Hanging baskets brighten up Liss

Your councillors and staff spent a Saturday morning putting together and hanging the baskets in the village centre. We hope that the baskets reward us all with a good floral show throughout the summer.

## Days of Hope Playscheme

By popular request the Days of Hope Playscheme run by the Liss Woodcraft Folk is back again this summer with a programme designed to encourage children and young people to work together, share their skills and enthusiasm and generally have fun over the school holidays. It kicks off on the weekend of Friday 18<sup>th</sup> July with the Back to Basics Camp where young people aged 12 and over will learn aspects of wilderness skills, surviving and thriving in a natural environment, preparing and cooking their own food and enjoying plenty of team games.

A week of fun and imagination follows shortly after, starting on Tuesday 12<sup>th</sup> August with a Bushcraft day, where younger children can try their hand at fire-making using traditional methods, cooking over an open fire, building shelters and generally living on the wild side!

Those who enjoy creative activities will be delighted with two jam-packed days of craft on offer where children and young people can try their hand at candle dipping, stained glass painting, jewellery making and designing a denim bag. For those with big ideas come along to the Giant Models session - make an oversize model and a mask and finish off the day baking biscuits, preparing fruit monsters and other delicious goodies!

Bringing the Days of Hope - summer programme to an end this year is the well established Ticket to Ryde - day trip to the Isle of Wight. Spend a leisurely day in Ryde shopping, bowling or ice-skating and hopefully enjoying the sun.

Full programme details and booking forms will be available at local schools from the beginning of June. For more information on the summer playscheme please contact Pam Gruber on 01730 301 270 or Andrea Paget on 01730 895866. Activities will take place at the Triangle Centre, or the Fernhill Allotments - both in Liss.

## Blood Donors

Liss Triangle Centre hosts blood donor sessions for the National Blood Service who are keen to have more donors come along.

"More than a third of people know someone who has received blood. One in ten have received blood themselves. Yet, only four per cent of the eligible population donate. Giving blood couldn't be easier; it's quick simple and safe. You never know when you or someone close to you could need blood, so give a pint today, you could be saving the life of someone dear."

The dates coming up are:

Wednesday 30th July with 2 sessions: 13.30 - 15.25 & 16.30 - 19.15

Wednesday 23rd December with 2 sessions: 13.30 - 15.25 & 16.30 - 19.15

The service advises people to book an appointment by calling 08457 711 711 or by going to [www.blood.co.uk](http://www.blood.co.uk) but they are pleased to accept walk in donors although the wait may be slightly longer.

## South Downs (Update)

The Parish Council made its case for a South Downs National Park to include Liss and Petersfield as part of the Western Weald in mid April. It did so under the banner of the South Downs Campaign.

The last hearing of the Inquiry was held on 28 May at which the South Downs Campaign made its closing statement. Copies of the statement can be viewed on [www.southdownscampaign.org.uk](http://www.southdownscampaign.org.uk). The Inspector hopes to finish writing his report in the autumn with a Government announcement early in the New Year.

The Parish Council would like to thank all those who in whatever way have supported the battle to see Liss included in the National Park.

## Allotments Access

Only plot holders with a current agreement are allowed onto allotment areas, any other persons entering into these areas are committing trespass.

There is no public right of way through any of the allotments and it is an offence to bring dogs onto allotments.

The Parish Council takes damage to growing crops very seriously and will liaise with the police regarding such matters as well as pursuing persistent trespassers.

## Hedges... a time to trim....

We are well into the growing season and the hedges in Liss which enhance the village and give it a rural feel need regular maintenance and cutting back. This is especially important where they act as boundaries alongside pavements, so that pedestrians and those using buggies, prams or mobility vehicles can move about easily without getting caught on any overgrown/overhanging vegetation. Regular cutting back is also necessary at road junctions so that adequate sight lines can be maintained for all road users.

## Liss Athletic Football Club

Liss Athletic Football Club is a major focus in our village community where it provides recreation, exercise and competitive sport for girls and boys in the area. As a growing club with a strong history there are opportunities for all ages, from 5-7 years olds at their Saturday morning Soccer School, through mini soccer and youth football all the way to adult football.

The club is run and well supported by many volunteers from the area and your help and support will always be warmly welcomed.

They are having an End of Season Fun Day on Saturday 5th July 2008 on the Newman Collard Playing Fields. The timetable is:

Morning - Juniors 6-a-side games

Afternoon - Parents, managers, coaches and U17's 5-a-side competition

All day - BBQ, Penalty Competition, Speed Shot Competition.
