### Section 3 – External Auditor Report and Certificate 2020/21

In respect of

LISS PARISH COUNCIL – HA0160

#### 1 Respective responsibilities of the body and the auditor

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2021; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

Our responsibility is to review Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with guidance issued by the National Audit Office (NAO) on behalf of the Comptroller and Auditor General (see note below). Our work **does not** constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and **does not** provide the same level of assurance that such an audit would do.

#### 2 External auditor report 2020/21

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

Information received from the smaller authority confirms that the approval date entered in Section 2 of the AGAR is incorrect. This should read 05/05/21. The smaller authority is advised to take care when completing the AGAR in the future to ensure that it is filled out correctly.

Information received from the authority indicates that they have received insurance claims/refunds against expenditure during the year and have accounted for it as a receipt in Section 2, Box 3 rather than netting it against the relevant expense. The authority was unable to provide specific evidence when further details were requested. Whilst the Practitioners' Guide is silent on the matter, it is our view that the true cost to the authority should be shown on a net basis. Accounting on a gross basis inflates the gross income and gross expenditure of the authority and can push the authority into a higher fee band than it would otherwise be in.

#### 3 External auditor certificate 2020/21

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2021.
